

Anexo X. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região do cerne do Indivíduo 2 Área I da espécie *E. urophylla*.

Anexo Z. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região do cerne do Indivíduo 1 Área II da espécie *E. urophylla*.

Anexo A 1. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região do cerne do Indivíduo 2 Área II da espécie *E. urophylla*.

96

Anexo B 1. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região do albumo do indivíduo 1 Área I do híbrido *E. urograndis*.

Anexo C 1. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região do alburno do indivíduo 2 Área I do híbrido E. urograndis.

Anexo D 1. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região do albumo do indivíduo 1 Área II do híbrido *E. urograndis*.

Anexo E 1. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região do albumo do indivíduo 2 Área II do híbrido *E. urograndis*.

Anexo F 1. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região da zona de transição do Indivíduo 1 Área I do híbrido *E.urograndis*.

Anexo G 1. Deslocamentos químicos em ppm dos carbonos dos extratos ciclohexânicos da região da zona de transição do Indivíduo 2 Área I do híbrido *E. urograndis*.
